TAA Show

(The TAA show is an annual competition where residents of Toledo and the surrounding areas can display their artwork. These exhibitions are held in the Toledo Museum of Art.)

It will take 6-9 months before a new director for the TMA is selected. Concerns were expressed about where in the museum the TAA is held, either the Canady Gallery which is good for large pieces of art or the Print Gallery which limits the size of the pieces. In 2010 the show will be held in the Print Gallery.

In order to submit your work, please check out the CAFE ENTRY SYSTEM located at the TMA web site. It is used to work with CDs to process images of your work. Help is available from trainers who are members of the TFAS, so don't wait until March 4 to become familiar with the system we must use to submit work!!!!
